PCMN Database	25 Apr 02		COL Enzel	Info	<ul style="list-style-type: none"> • Patient Database – Problems in the patient database continue to exist with delinquent records being processed after the fact. The database was designed for two purposes to get data points to account for a patient's departure and arrival dates and provides receiving MTF's with clinical information. Referring MTF's need to ensure all entries are processed prior to a patient's departure and provide accurate clinical information. Referring MTF's are responsible for closing out there episodes once their patients return or have been identified as cancellation. • CHCS/Andersen AFB GU – Capt Buss has been experiencing CHCS connectivity problems at Andersen AFB GU, this has caused delays sending/receiving messages coordinating patient appointments. Until CHCS connectivity problems are resolved TAMC case managers will forward all Andersen CHCS responses on Outlook e- mail.
Pacific Case Mgt System	25 Apr 02		COL Enzel	Discussion	<ul style="list-style-type: none"> • X-rays – To avoid losses or delays in patient care, referring medical treatment facilities are encourage to identify all X-rays by patient name, social security number, name of receiving medical treatment facility and be properly hand receipted to the flight nurse on board the A/E mission. • Case Managers Directory – Case Managers Directory will be updated monthly, Case Managers/Air Evac Clerks are required to provide COL Enzel with any changes on replacement personnel, change of duty numbers and e-mail addresses. • New Marine Liaison – SSgt Denise Butler has been identified as the new Marine Liaison at Tripler AMC.
